Police Butt in on Frank Gotch and Francois Pietro.

MCONTREAL. May 15.—The wrestling match between Frank Gotch, the American champion, and Pletro, the Frenchman, here last night, was marked by ricous scenes, ending in police interference after the wrestlers had been on the mat for half an hour without either securing a fail.

While each wrestler alternately made claims of foul tactics by his dipionent, the crowd in the half divided into two wildly cheering factions, the English portion cheering dotch and the Prenchmen siding with Pletro.

The police cleared the half when the spectators came to blows.

FOR BIG TRACK MEET

Coach Maddock Picks Men for Coming Rocky Mountain Conference.

Coach Maddock last evening gave out the following as a probable list of the men who will leave for Boulder on Tuesday to take part in the Rocky Mountain Conference meet. Capt. Harry Moore, Dale Pitt, George Brown, C. P. Russell, Fred Bennton, J. B. Hume, Emory Hedges, Nielsen, Builey, Scott, Dale H. Parke, Swapp, Morgan, Adams and Will

Weather Conditions Bad.

The bad weather of the last few days has given the athletes at the university considerable of a set-back. It has practically precoiled the men from doing any practicing in the pole vault, high jump, running broad jump or with the weights. The track can be used, although rather wet in spots. The field however is a veritable swamp, and toe neid however is a veritable swamp, and to drop a hammer or shot in the mire after a good throw would be to lose it.

The late arrival of the spring this year and the continued storms since have given the boys at the university no spare time to get in shape for the conference meet. The return of Jupiter Pluvius shower baths at this time is regarded as a terrible misfortune by the athletes.

Sprinters Working Out.

Despite the bad weather, the sprinters con-tinue their training on the track while the field men have resumed work in the gymna-sium. Coach Maddock is doing everything in his power to put them in the best of trim for the mest. for the meet.

Just what Utah's chances are for winning the Rocky Mountain conference is hard to say at this time. Some of the records that come from Colorado are aimest phenomenal, while others will be easily excelled by the locals. In the middle and long distance runs as well as the hurdles. Utah's chances look rather slim. The pole vault and jumps offer brighter prospects while the weights are pretty much a matter of speculation. Swapp's ankle is still in a had way and consequently this event, which was formerly conceded to Utah, is in doubt. Conch Maddock will perhaps make one or possibly two changes in the above list of men after some preliminary races are run off this afternoon.

LEAGUE STILL EXISTS.

Managers of Pacific Coast League Decide to Continue Schedule.

cide to Continue Schedule.

GAKLAND. May 15.—The managers of the various clubs in the Pacific Coast Baseball league, at their meeting today, decided to condinue the schedule of games from date, as already announced.

The question of whether or not the games already played shall count final summing up is left to further discussion. Cal Ewing stated that he had received the assurance that he could obtain the lease of the ball grounds at Los Angeles, and he, with President Bert, will leave for the southern city tonight to complete arrangements for the games to be played there. Morley has not yet sent in the ratification of his action in disposing of his franchise, but this is merely a matter of form and will not long be delayed. A week from today play will begin in this city between the Fresno and San Francisco teams and there will be continuous ball here, all of the San Francisco games being played at Idora Park.

High school yesterday met in the assembly room of the school and decided to present the school with a large picture of themselves. It has always been the custom at the school for the football teams to give the school of picture, but this will be the first track and baseball picture. The photograph is to be a good one. It will be about four feet in length and will have the track team on one side, the baseball team on the other and the trophies, banners, etc. in the center. The picture will be enclosed in a big red and black frame. It will be presented to the school in about two weeks. track and baseball teams of the

Fitzsimmons-Burns Bout.

SAN FRANCISCO, May 15—Al Kaufman, the hard-bitting local heavsweight, leaves for New York in a day or so to meet the winner of the Fitzsimmone-Burns fight. Kaufman says that he has been promised a go with the victor of the Memorial day scrap and that he will then fight the man who is successful in the much-talked-of O'Brien-Berger go. In case the latter bout is not fought, Kaufman hopes to entice Jack O'Brien into the ring with him for the second time, and figures on being one of the principals in the first big fight held in the new pavilion that is being projected by Jimmy Ceffroth on the old Mechanics' pavilion site.

Defeat the Callahan Bunch on the High School Campus.

HIGH SCHOOL SURPRISED AND MEET WITH DEFEAT

Struck an Unlucky Streak None of Players Could cling to Ball.

HIGH SCHOOL LEAGUE.

Standing of the Clubs. Played Won. Lost. P.

The High School Ball club has at last met its defeat. The greatest surprise of the High School league series was sprung yesterday when the All Hallows college team placed the Callahan bunch in the mud by a score of 14 to 12. The All Hallows appeared on the High school campus charged to the brim with good hot ginger and won the game entirely through merit. They played all around the High School nine at both the bat and in the field.

In First Inning.

In First Inning.

In the first inning they started the ball to rolling by running up four runs and keeping the High School down to none. The High Schoolers felt but little uncastness over this though as nearly all their games start out that way, but in the second inning when the same thing was reported, the red and black lads began to look up. They made a sudden brace and held the Collegians down for two innings and then got busy with the score-making themselves. In the fifth they landed eight runs and these with two which they won in the third and fourth, had them ahead. In the sixt inning they made two more and allowed the College to get one. In the eighth they began to get careless again with the result that the Collegians receled off five runs. This made the final score of 14 and 12. In the eighth the High school went down in the one-two-three order and did but little better in the ninth.

Had Unlucky Streak.

Had Unlucky Streak.

The High Schol team seemed to have an unlucky streak. Sheets, the shortstop who has had a clear record from errors through the season, yesterday got four checked up to him and several of the other players seemed to be afflicted. No one could cling onto the ball. This made things bad for the All Hallows had not been in better batting condition before this year. They pounded the ball all over the arena. The winning of this game gives the College second place in the league. They have one more game with the Collegiate Institute on Tuesday. The summary:

"HOME RUN" MARSHALL ARRIVES IN ZION

Famous Ball Player Passes Through on Way to St. Louis.

Joe Marshall, the hard-hitting outfielder of Manager John J. McCloekey's former Butte and Boise ball teams, dropped into the city Tuesday on his way to St. Louis, where he is booked for the Nationals during the re-mainder of the season.

McCloskey Having Success.

McCloskey is having good success as a "big league" manager and has been after Marshall for the past four months, endeavoring to sign up the champion slugger of the P. N. L. Joe, however, has had lucrative employment in Butte, where he ran a "thirst emporium" and "helped out" in a pool-room during the winter months. Marshall a Strong Hitter.

Marshall a Strong Hitter.

Outside of being an exceptionally strong manipulator of the ancient 'wagon-tongue.' he is a clever outfielder and McCloskey surely shows that he appreciates Joe's worth by his insistent 'advances' to his favorite outfielder. To give the fans a line on Marshall's value as a ball player, he was receiving file a day for his services in the pool-room at Butte when he quit to go East and break into the game again.

This job he threw up to play for McCloskey. He is possibly one of the heaviest hitters in the country, earning the 'catch-name' of 'Home Run' Marshall by his numerous 'driving back the fonce' status in the batting line. Joe went the round among a bunch of his friends at the Turf Exchange yesterday before leaving for his new home in St. Louis.

Has Recovered From Injury.

Has Recovered From Injury. Has Recovered From Injury.

He finished the last three weeks of last season with a fractured left leg and didn't know what the trouble was until he consulted a physician after the final contest.

He thought that old Col Rheumatism had struck him, and refused to give in until he got so that it was imposible for him to walk. A few weeks in the hospital put him right, however, and now he is as good as ever.

The baseball outlook in Butte is only fair, he says, and the team will be lucky to finish out the season.

Pool Rooms Amalgamate.

Butte pool-rooms were to get together on the ight he left and perfect a condition of racing Butte pool-rooms were to get together on the night he left and perfect a conflicion of racing interests.

A letter received in Sait Lake yesterday from Jack Herwig, the old outhelder of the Ogden team, who is now signed up with Butte, saying that he met with an accident in one of the games last week and is now in bed. Jack sends his regards to the bunch and hopes they will not take any wooden hickels. No State League Games This Week. No games will be played in this city to-morrow or Thursday Next Sunday the Dubel Tailors Salt Lake club will play at Park City and the following Saturday and Sunday will play at Eureka, so the fans are out of the baseball running for two weeks at least, outside of the Commercial league games.

Frederick B. Alexander and H. H. Hackett then played a hard three set match with the national champions, in which they won the last set. The score in favor of Wright and Ward was 6-4, 7-6, 6-8.

PROMINENT HORSEMAN HERE.

F. W. Horton of El Rio Stables Arrives. F. W. Horton, one of the prominent horse trainers of California, arrived in the city Tuesday and will remain here for a few days before going on East to visit the Denver and Chicago tracks.

Mr. Horton has had charge of the El Rio stable of horses for the past six months, with such clever riders working under him as McDaniel and Miller.

In five months' time he cleaned up for the "boes" \$1100, which is going some for a new man.

Jenkins and Wille Matched. A gentleman traveling under the name of Tom Jenkins was matched up Tuesday for a twenty-round boxing exhibition with John Wille, to take place at the opera house in Ogden during the last week in May. This will come after the wrestling match between Charlie Ross and Wille, scheduled for the saucer track on the evening of May 2. Both of the mat artists are training hard for the bout and somebody's head will be forn off when the two gladiators get together on the pad.
